CAMPER LETTER

Are you ready for a fun week of Adventure?

It's going to be an exciting summer at Joy Bible Camp this year for BOYS CAMP 2026!! This year we are tackling challenges and going on a long journey to find out the awesome backstory of our camp Sword.

Pull together your cabin team, join the armies of Middle-earth, and get ready for an exciting adventure! Gather your strength and practice your moves as you prepare to make it to the journey's end.

ARE YOU READY TO... earn your medals as the top marksman? Win gold at archery or win the coveted LAST MAN STANDING trophy in this year's Dodgeball Challenge? Perhaps you will be brave and take the largest plunge at the ROCK JUMP, or will you be leading the pack on the PUMP TRACK? Will you outlast all the others during ARCHERY TAG, stick a bullseye with your mad axe-throwing skills, or earn massive points through our DAILY CHALLENGES?!?! There is plenty in store for this crazy week of AWESOME!

DETAILS

The adventure will continue as we learn from the Bible some amazing stories about battles inside and outside in our lives. We will stand side by side and encourage each other to prepare and stand strong.

Of course, the week will also feature your favorite activities like fishing, tubing, rock jumping, air rifles, archery, super cool projects, mountain biking, and mud pit madness (old clothing required)!!!

Hope you are as excited as we are,
