DRESS-UP DINNER MISSIONS!

Faith Force Special Agents love to dress up, and our Academy Evening Banquets are going to be legendary. To help your agent pack the proper operational gear, here are our 4 designated Dress-Up Theme Nights:

1. **The Retro Fitness Force (80s Track Night):** We are running the race with endurance! Pack your best 1980s-style athletic gear: neon sweatbands, high socks, bright track jackets, or retro activewear.
2. **Operation "Glow Stealth" (Neon Night):** Pack your brightest neon clothes, white t-shirts, or glowing accessories. We are turning off the main grid and running this dinner under high-tech UV blacklights!
3. **"Stealth Mode" Black-Out (Special Ops Night):** Tactical training is a go. Pack an all-black or camouflage outfit (black jeans, dark beanies, combat boots, or dark hoodies) as we prepare for a high-security tactical menu.
4. **The International Embassy Gala (Glamorous Disguise):** Time to go deep undercover in high society. Pack your favorite fancy dress, a thrifted trench coat, oversized spy sunglasses, faux pearls, or a vintage detective look.

Parents: Don't overspend! Hit your local thrift stores or browse Temu for cheap accessories (glasses, sweatbands, glow sticks). Creativity and camp spirit are our greatest weapons!
